

## Worked example for the gsa.bst style file, following guidelines of the Geological Society of America

Example of citations and bibliography formatting for:

- abstract (Boni and Large, 2002);
- paper in a journal (Laubscher et al., 1992; Rehault et al., 1984);
- book (Twiss and Moores, 1992);
- paper in a multiauthor volume (Schmid et al., 1989);
- proceedings from a symposium or conference (Scandone et al., 2004);
- thesis (Klingfield, 1978);
- map (Abdirahman et al., 1994).

By Paolo Conti, Dpt. Earth Sciences, University of Siena, Italy (conti@unisi.it).
